Hair Salon Promises
A Crowning Glory

"If your hair looks good, you feel good," says JC, owner of Moda Salon.

Bad hair days don't exist for clients who are coiffed at Moda Salon - the talented staff ensures that everyone leaves the trend-setting space with their heads high.

"I am extremely passionate about my industry," JC says. "I have a very high drive. I visualized my own place and when I want something, I will work hard to get it."

Although JC has won many awards and coiffed the hair of countless celebrities, she also enjoys helping others learn and be successful.

"At this stage of my career it isn't about me. It's about passing it on. I'm trying to be a good example to young people," says JC, who spoke only French when she moved here 25 years ago from Canada.

And the nickname JC? "My customers couldn't pronounce my name. They used to say, can I have an appointment with the French girl? So I just went by JC after that."

Her Boca Raton salon - which offers hair, skin and nail treatments - is just as she dreamed it long ago. There's food, beverages, laughter, and even wine and cheese on Thursday evenings at the popular salon. "Our clients are treated well," said JC, who specializes in dry cuts. "They are so comfortable they don't want to leave."

Her staff is always learning new techniques, she explains. "My pride is my staff. They are so incredibly talented, it wows me," she says. Many have been at the salon since it opened 16 years ago.

"I work hard but I love what I do and I'm surrounded by great people," says JC, who also is very involved in the community and believes in donating to charities. "And when people leave and they have a smile from ear to ear and they say 'I love my hair and all the services I receive at your place - it's fabulous,' then I'm happy. Visit our Web site, and meet our fabulous staff and all of their work."
